

NEIGHBORHOOD EDUCATION PROGRAM

CONTINUING COMMUNITY CONVERSATIONS AS YOUR NEIGHBOR

HOAs - Block Clubs - Community Leaders - Safety Stakeholders

THE INITIATIVE

Because Community was developed by Bret Townsend to give back to the community using combined skills of training, strategy, and education. As a US Navy Veteran, she has been where most haven't. As a South Side Chicago native, she has street smarts that are invaluable in today's society. Practical strategies are utilized to deliver safety concepts to neighbors in a relatable way.

The #BecauseCommunity initiative advocates for 3 causes:

1. Positive Community-Police Relations Education
2. Community Safety + Survivability Strategies Education
3. Mentoring + Personal Development Education
